UNIT- II CLOTHES

Why we wear clothes

We all wear clothes.
We wear clothes of
different kinds.
We wear clothes of
different sizes.

- We wear clothes to keep the dust and dirt away from our body.

- We wear clothes to stay warm.

- We wear clothes to look nice.

- We wear clothes to save ourselves from sun's heat in summers.

- We wear clothes to save ourselves from the rain.

- We wear clothes to keep insects away.

WHAT DO YOU THINK?

Do animals need to wear clothes?
Why?

Different kinds of clothes

- Say the names of these clothes.
- Copy the names in the box.
- Tick the ones you wear.

skirt

skirt

shorts

salwar

sari

trousers

nightie

blouse

kurta

night suit

cape

chunni

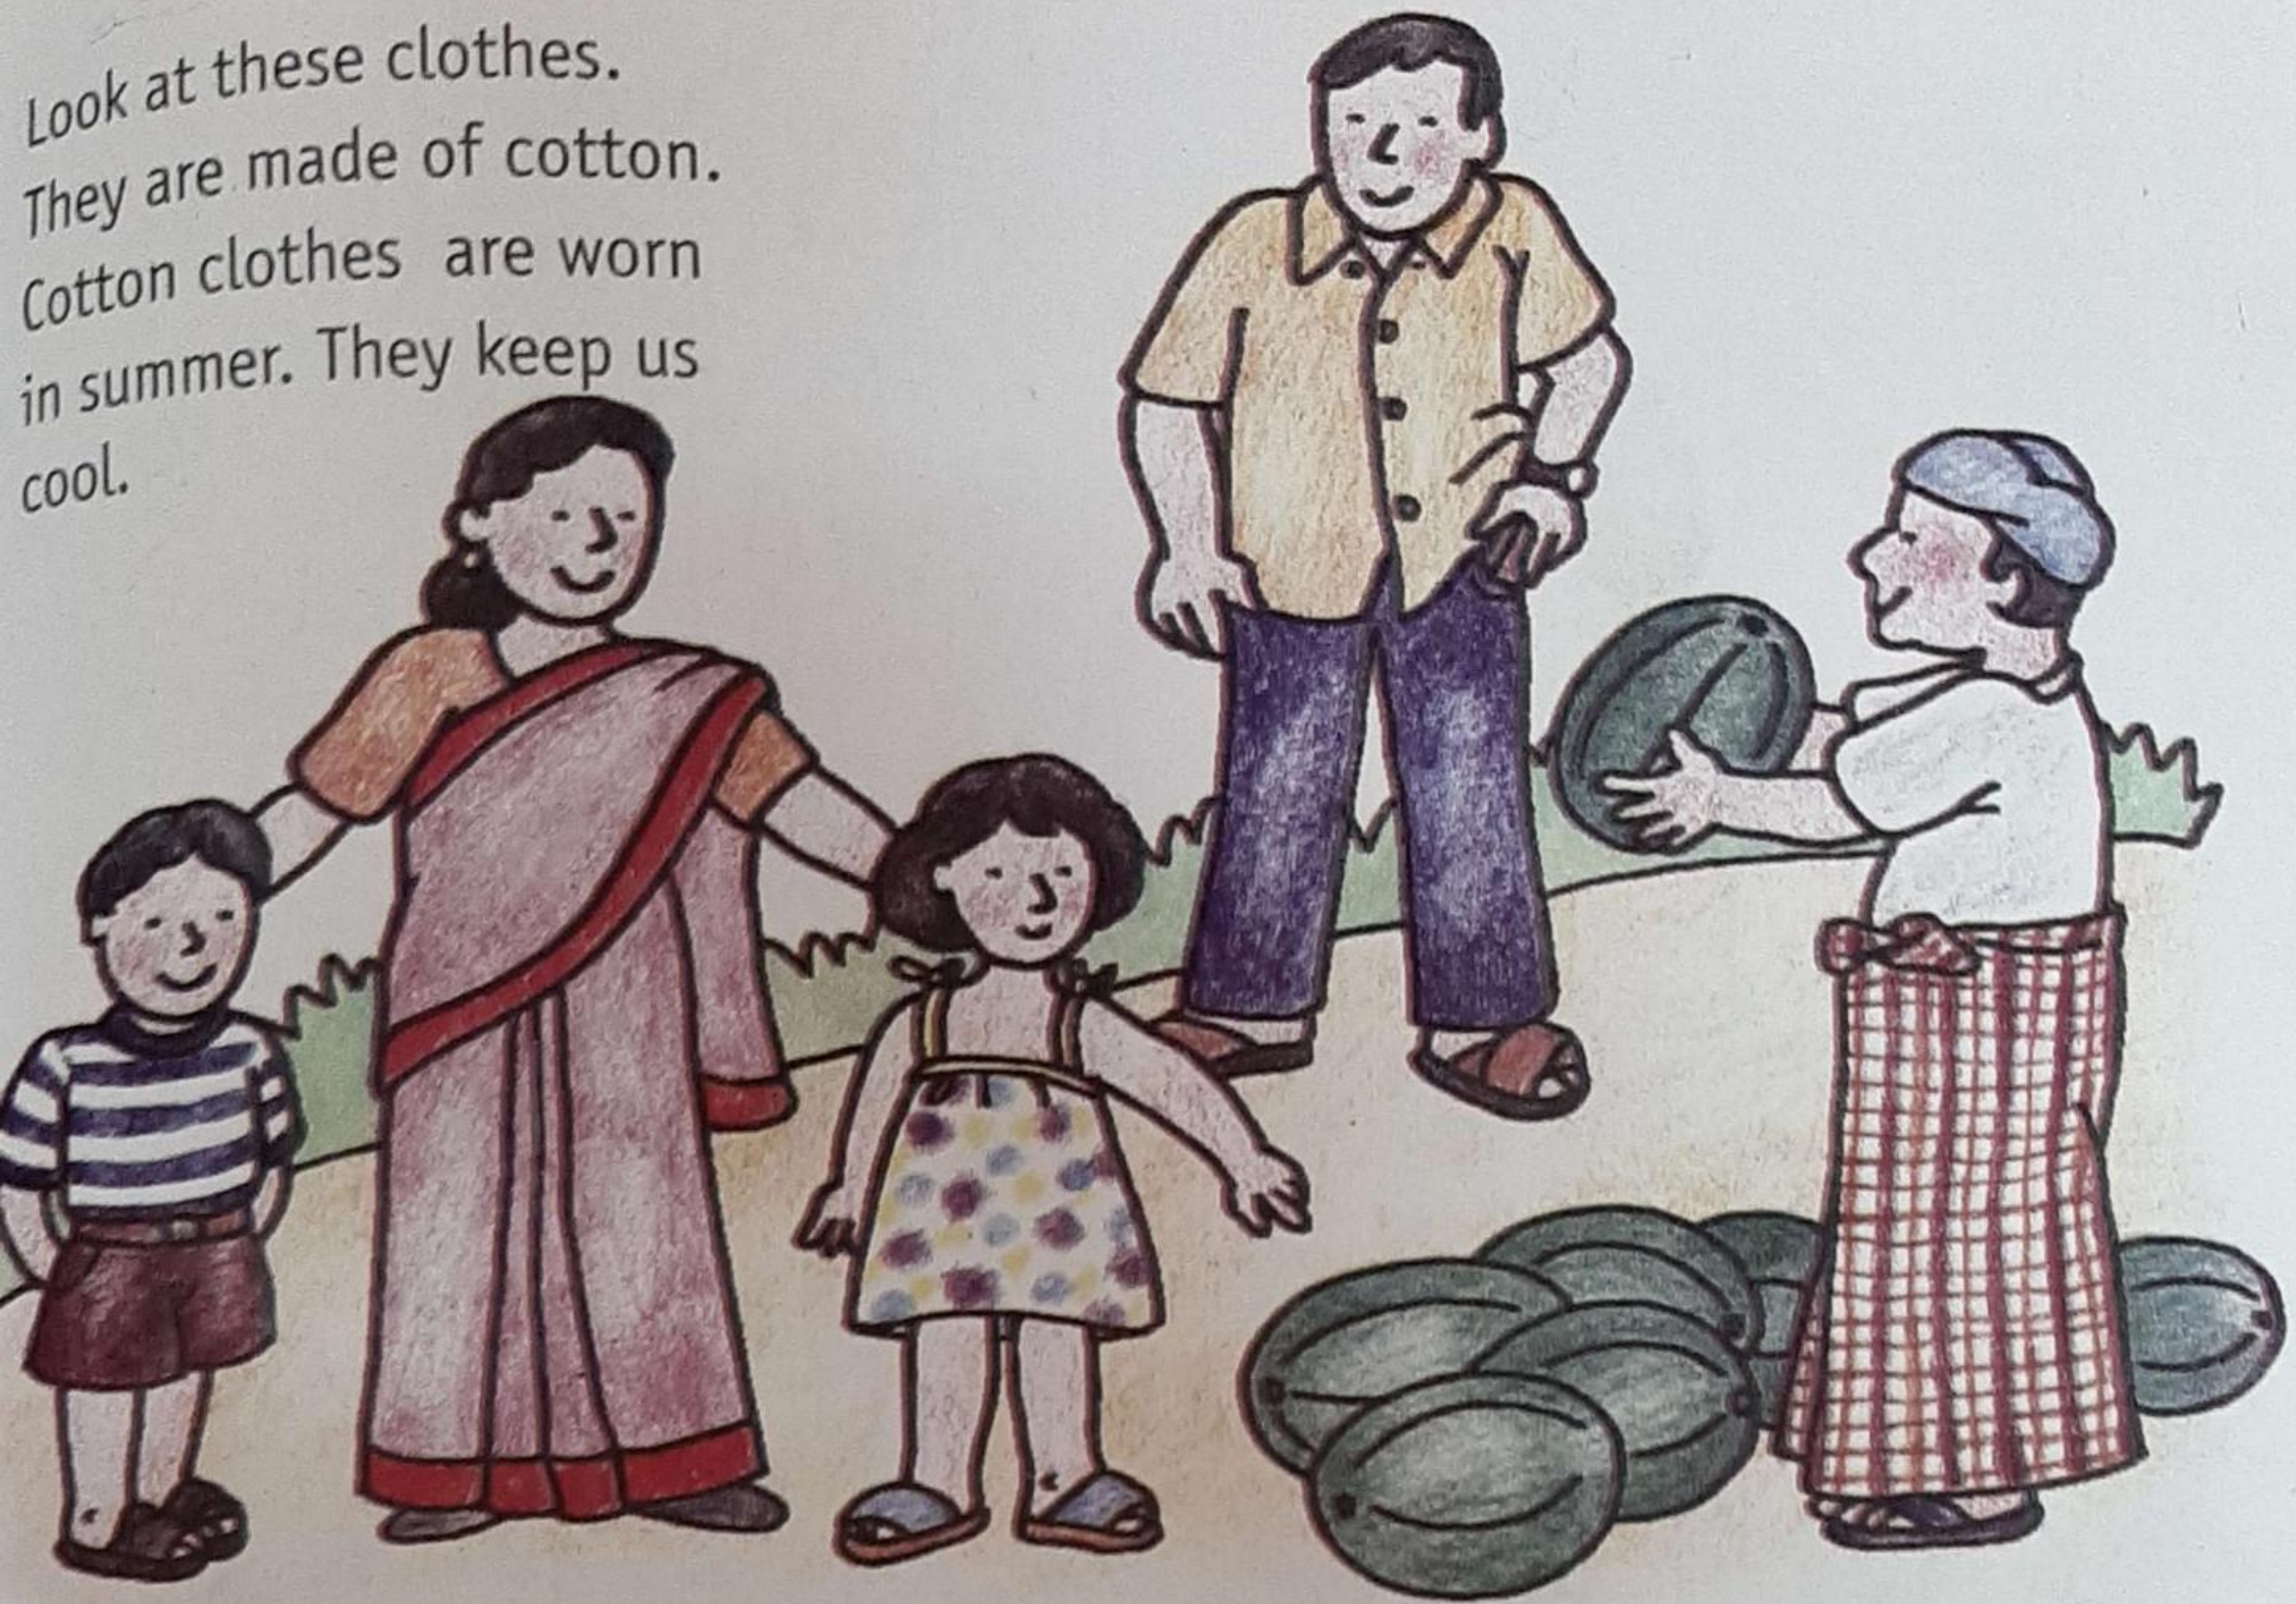

T-shirt

Teacher's note: The child should copy the labels in the coloured boxes under them. This will give writing practice as well as a familiarity with the spelling of each new word. The practice is given in many of the subsequent pages also.

Clothes worn in summer

Look at these clothes.
They are made of cotton.
Cotton clothes are worn
in summer. They keep us
cool.

Choose and write what
they are wearing:

- bush shirt • sundress
- lungi • sari • T-shirt

boy

woman

girl

man

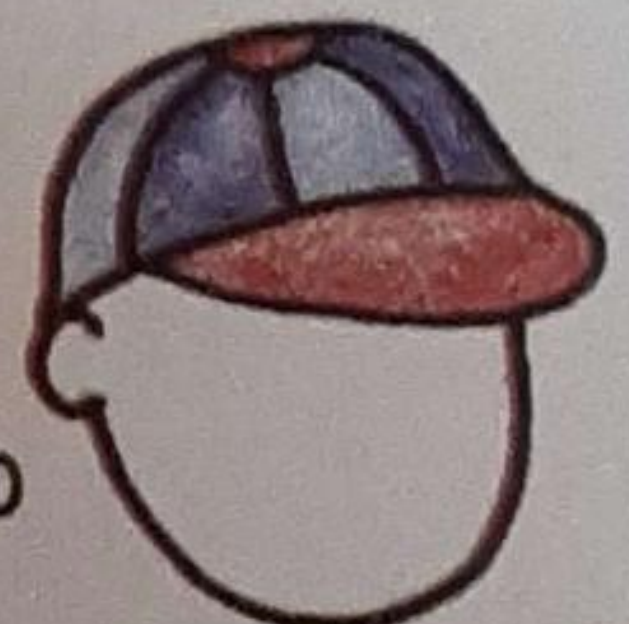

watermelon seller

safa

These protect
your head
from the hot
sun.

cap

Clothes worn in winter

These clothes are worn in winter. Many of them are made from wool.

skirt

sweater

woollen cap

coat

tracksuit

jacket

gloves

shawl

woollen vest

leggings

woollen socks

Teacher's note: The coloured boxes are for

What we wear when it rains

When it rains, we wear a raincoat. A raincoat is made from plastic or rubber. It keeps our body and other clothes dry.

Galoshes keep our shoes and feet dry.

WHAT DO YOU THINK?

This boy has become wet in the rain.

- What should he do when he comes indoors?

WHAT DO YOU THINK?

- Salma lives in Kashmir. She is wearing a woollen pheran and salwar. Why?
- Rajan lives in Chennai. He is wearing a cotton lungi and T-shirt. Why?
